

## Terms & conditions.

- The respective sender ensure that delivery takes place in sealed trays and that the goods are marked correctly.
- All goods must be packed in Tamro's blue transport boxes or in Tamro's wagons / roll cage.
- When using a pallet, the sender is responsible for checking that the recipient can receive the goods.
- Tamro is not liable for damages caused by incorrect marking or packaging, which is not attributable to Tamro. Tamro's liability is limited to SEK 150 / kg of the damaged goods in each shipment.
- Tamro is not responsible if the package does not reach the receiving pharmacy or if it is delivered late.
- Each shipment (box / wagon / roll cage / pallet) is addressed with the receiving pharmacy's turn number. Address form can be found in TWD under the tab "Info from Tamro / Info about routines etc." under the heading. "Forms - Intermediate mailing address form".
- All intermediate consignments may only contain goods (box / wagon / roll cage / pallet) from one sender to one recipient.
